INSTRUCTIONS FOR 2024 LOCAL INTANGIBLES TAX RETURN

GENERAL INFORMATION

The intangibles tax is a local tax levied on gross earnings received from intangible property such as savings accounts, stocks, bonds, accounts receivable, and mortgages. It is not to be confused with the state income tax which is used to support state government.

WHO MUST FILE INTANGIBLES TAX. All Kansas residents and corporations owning taxable property and every nonresident owning accounts receivable or other intangible property with a Kansas business situs, receiving earnings from this property during the calendar year or fiscal year ending in 2023, must file a Form 200. If you live in an area that has no intangibles tax, or your tax due is less than \$5, you do not have to file a Form 200.

Individuals or corporations having intangible earnings shall be deemed to have received these earnings at the individual's dwelling or the corporation's principal business office, within the State of Kansas. The earnings are then subject to intangibles tax if the individual's dwelling or the corporation's principal office is within a jurisdiction which has imposed the local intangibles tax. Parents of minors owning intangible property, conservators, trustees, beneficiaries of trusts, executors, administrators, receivers, and certain agents are required to file a Form 200. Senior citizens or disabled persons are also required to file a Form 200, but may be entitled to a special senior citizen or disability exemption, explained in Part II.

EXEMPT INTANGIBLES INCOME. Intangibles tax does not apply to: interest on notes secured by Kansas real estate mortgages on which a registration fee has been paid; earnings on individual retirement and Keogh accounts and other qualified retirement plans; bonds and other evidences of indebtedness issued by the federal government, the State of Kansas or any of its municipal or taxing subdivisions, certain distributions of subchapter S corporations; certain reimbursements of interest paid on notes, the proceeds of which were the source of funds for another note; and dividends from stock of a bank, savings and loan association or regulated investment company located in Kansas or from doing business in Kansas. National bank associations, state banks, federal and state chartered savings and loan associations, trust companies, credit unions, and certain non-profit corporations operating or providing hospitals, psychiatric hospitals, adult care homes, private children's homes and housing for the elderly are exempt from intangibles tax.

WHEN AND WHERE TO FILE. If you have intangibles income, you must file a Form 200 with your local County Clerk's office (addresses follow the tax rates) on or before April 15, 2023 (there are no provisions for extensions of time to file Form 200). Do not enclose Form 200 with your Kansas Income Tax Return (K-40) or mail your payment to the Department of Revenue. The county clerk will compute your tax and you will be billed by your local county treasurer in November 2023. If your return is delinquent, interest and/ or penalty may be assessed by the county treasurer's office. This will be included in your tax billing when you receive it. If your tax is less than \$5, you will not be billed.

AMENDED RETURNS. To correct an error on a Form 200 that has already been filed, complete another Form 200 with the correct information and write "AMENDED" across the top. Attach a letter explaining the correction.

ASSISTANCE. If you need assistance in completing your Intangibles Tax Return, Form 200, contact your local County Clerk's office.

Enter all interest received or credited to your account from funds left on deposit with insurance companies. Any interest received from the federal government is non-taxable and should not be reported on line 4.

PART II - SPECIAL SENIOR CITIZEN OR DISABILITY EXEMPTION

WHO MAY QUALIFY. To be eligible for the special intangibles income exemption found at K.S.A. 12-1,109(c)(1), you must be 60 years of age or older on or before January 1, 2023; or have been disabled or blind during all of 2022, regardless of age; AND have a household income of \$20,000 or less. If your total household income for 2022 is between \$15,000 and \$20,000, the \$5,000 intangibles income exemption is reduced by the amount your total income exceeds \$15,000. If married, only one spouse can claim the special intangibles income exemption. This special exemption cannot be claimed for a decedent who died prior to January 1, 2023.

- LINE 12: Enter the month, day, and year of your birth.
- **LINE 13**: To claim the special exemption for a disability or blindness, you must have been disabled or blind during the entire year of 2022. If you are filing as a disabled person, attach a copy of your Social Security certification of disability letter showing proof you received Social Security benefits during the entire year of 2022 based upon your disability. If you are not covered by Social Security, you must furnish medical proof that your disability has qualified you as a disabled person under the provisions of the Social Security Act. If you are blind, submit a visual acuity statement from your doctor.
- **LINE 14**: Add the total income received from ALL sources during 2022 by you, or you and your spouse. Include wages, Social Security (except Social Security Disability payments), railroad retirement, and any other pension income; interest, dividends, salaries, commissions, fees, bonuses, tips and any gain from the sale of property. Include also your share of income received from partnerships, estates, trusts and royalties, net rental income, and business or farm income. Net operating losses and net capital losses may not be used to reduce total income. If this total is greater than \$20,000, stop here and enter the amount from line 11 of Part I on line 3.
 - LINE 15: Enter the total intangibles income from Part I, line 11.
- **LINE 16**: If your total household income on line 14 is \$15,000 or less, enter \$5,000 on line 16. If line 14 is greater than \$15,000 but less than \$20,000, subtract the amount over \$15,000 from \$5,000, and enter the result on line 16. Example: If line 14 is \$18,000, enter \$2,000 on line 16.
- **LINE 17**: Subtract line 16 from line 15 and enter the result on line 17 and on line 3. This is your taxable intangibles income.
