## **GENERAL INSTRUCTIONS**

**PURPOSE OF FORM:** 36 M.R.S. § 5250-A requires a buyer to withhold state income tax when real property located in Maine is acquired from a nonresident of Maine. The buyer must withhold and remit to the state tax assessor 2.5% of the consideration received by the transferor (seller) on the transfer. A completed Form REW-1-1040 (for sellers who are individuals or sole proprietors), Form REW-1-1041 (for sellers that are trusts or estates), and/or Form REW-1-1120 (for sellers that are corporations) must accompany the remittance.

**WHO MUST FILE:** A buyer (individual, firm, partnership, association, society, club, corporation, estate, trust, business trust, receiver, assignee or any other group or combination acting as a unit) of a Maine real property interest who is required to withhold tax must file the applicable REW-1 forms. If two or more persons are joint transferees, each must withhold the required amount. However, the obligation of each will be met if one of the joint transferees withholds and remits to Maine Revenue Services the total amount required.

If there are multiple sellers, complete a separate REW-1 form for each seller receiving proceeds from the sale. For example, if the seller is a partnership, complete a separate REW-1 form for each partner receiving proceeds from the disposition. If the partners are individuals, complete Forms REW-1-1040. Be sure to complete the appropriate REW-1 form for each seller: REW-1-1040 (individuals, sole proprietors), REW-1-1041 (trusts, estates), REW-1-1120 (corporations).

**EXCEPTIONS:** The buyer is not required to withhold or file this return if any of the following applies:

a. The seller furnishes to the buyer written certification stating, under penalty of perjury, that as of the date of transfer the seller is a resident of Maine;

- b. The seller or the buyer has received from the state tax assessor a certificate of waiver stating that no tax is due on the gain from the transfer or that the seller has provided adequate security to cover the liability;
- c. The consideration for the property is less than \$50,000; or,
- d. Written notification of the withholding requirements has not been provided to the buyer. The real estate escrow person is liable for the withholding tax unless it is shown that the failure to notify is due to reasonable cause.

WITHHOLDING CERTIFICATE ISSUED BY THE STATE TAX ASSESSOR: A withholding certificate may be issued by the state tax assessor to reduce or eliminate withholding on transfers of Maine real property interests by nonresidents. The certificate may be issued if:

- 1. No tax is due on the gain from the transfer; or,
- 2. Reduced withholding is appropriate because the 2.5% amount exceeds the seller's maximum tax liability.

If one of the above is applicable, apply for the certificate no later than five business days prior to closing.

WHEN TO FILE: A buyer must report and remit the tax withheld to Maine Revenue Services with this form within 30 days of the date of transfer of the property.

WHERE TO FILE: Send Form REW-1-1040 with payment directly to: Maine Revenue Services, Income/Estate Tax Division - REW, P.O. Box 9101, Augusta, ME 04332-9101 (do not send payment or Form REW-1-1040 with the real estate transfer tax declaration). Provide one copy of Form REW-1-1040 to the real estate escrow person, one copy to the buyer, and two copies to the seller.

## SPECIFIC INSTRUCTIONS

- **Block 2.** Enter the name and social security number(s) of the seller and the seller's spouse.
- Block 3. Enter the address of the seller and the seller's spouse.
- Block 4. Enter the date of this transfer.
- Block 5. Enter the total consideration (see 36 M.R.S. § 5250-A(1) (A) for definition).
- **Block 6.** Enter the percentage of total proceeds received by this seller.
- Block 7. Enter the location of the property, including map, block, lot, and sub-lot numbers, as well as town and street address. Specify use before the transfer, such as principal residence, vacation home, rental property, commercial, or vacant land.
- **Block 9.** Check the appropriate space to indicate the amount withheld. If the parties obtained a withholding certificate from the state tax assessor authorizing a reduced rate of withholding, enter the certificate number and attach a copy of the certificate to this return.
- Block 10. Enter the dollar amount withheld for the seller in block 2.
- Block 11. Enter the name of the withholding agent (buyer).
- Block 12. Enter the address of the withholding agent (buyer).
- **Block 13.** Enter the social security number or federal ID number of the withholding agent (buyer).
- Block 8. Enter the date the property was acquired by the seller.

**Seller's Filing Requirement.** Generally, a seller who is a nonresident individual must file a Maine income tax return for the tax year during which the sale of the Maine property occurred. A return is not required if the capital gain from the sale, combined with other Maine-source taxable income, does not result in a Maine income tax liability. However, a Maine income tax return must be filed to get a refund of any real estate withholding amount in excess of the Maine income tax liability. The seller must attach a copy of the REW-1 form to the Maine income tax return to ensure proper credit for real estate withholding paid. For more information on the Maine filing requirements, see Maine Rule 806 and the instructions for Form 1040ME and Schedule NR or NRH at **www.maine.gov/revenue**.
