2020 Educational Opportunity Tax Credit - Employer/Employee Affidavit

This Affidavit <u>must</u> be completed and signed by the taxpayer (employee) and the taxpayer's employer when claiming the Educational Opportunity Tax Credit (EOTC) in the case where both the employee and employer have made payments on eligible education loans directly to the lender during the tax year. The Affidavit is used to calculate the eligible loan payment amounts that may be used to calculate the EOTC. The completed and signed Affidavit and the applicable Worksheet(s) must be included with your Maine income tax return for which you are claiming the EOTC. For more information, see the Educational Opportunity Tax Credit Worksheet(s) available at www.maine.gov/revenue/tax-return-forms.

The Affidavit serves to certify the eligible monthly loan payment amounts paid by both employee and employer during the tax year. Failure to attach a signed Affidavit to a tax return may result in denial of the EOTC.

The sum of the EOTC claimed by you and your employer may not exceed the aggregate eligible education loan payment amount due during the tax year.

- · Payments made by your employer directly to the lender reduce the EOTC the employee may claim.
- The employee credit is further limited by the benchmark loan payment.

For example, assume the required 2020 monthly loan payments were \$380 per month or \$4,560 for the entire year. The employer paid \$2,400 during the year and the employee also paid \$2,400 during the year. The employer may claim the entire amount paid (\$2,400) because the amount is less than the loan payment amount due (\$4,560). The employee would be eligible to claim \$2,160, the lesser of the remaining loan payment amount due (\$4,560 - \$2,400 = \$2,160), the amount paid (\$2,400), and the benchmark loan payment amount ($$367 \times 12 = $4,404$). For more information on the individual credit, see the Educational Opportunity Tax Credit Worksheet for Maine Resident and Part-year Resident Individuals.
