Income Tax Letter of Intent

Tax Year 2022

July 26, 2022

This form must be completed and submitted to Maine Revenue Services by January 1, 2023

2022 Tax Software Provider Maine Revenue Services Letter of Intent

Welcome to the Income Tax Letter of Intent (LOI). If your software company intends to submit electronic and/or paper returns to the Maine Revenue Services you will need to complete this form and submit it to Efile Helpdesk, Efile.Helpdesk@maine.gov no later than January 1, 2023.

By submitting this Letter of Intent (LOI) to the State of Maine/Maine Revenue Services, you agree to meet our standards for software provider registration, tax preparation software, and substitute forms. If you do not meet the standards and requirements explained in this LOI or provide an incomplete form, we may deny your application or revoke your approved software provider status and reject all electronic and/or paper returns submitted using your products.

You must complete a separate LOI for each unique product your company offers.

Note: If you are a new Software Provider who has not filed city/state income tax returns with any city or state agencies, you must have passed assurance testing with the IRS. Attach documentation from the IRS demonstrating you have successfully tested with the IRS.

Important dates

The Maine Revenue Services has important key dates to ensure we are ready for the filing season and taxpayers can file an accurate and timely tax return. Please note the following key dates:

- Complete and submit the LOI **NO LATER** than January 1, 2023.
- Substitute forms approval must be completed by March 1, 2023.
- Assurance testing (ATS) begins on TBD.
- Last day we will accept initial e-file ATS tests is February 1, 2023.

Rebranded software products

Complete this section only if your product is rebranded.

For software to be considered rebranded, changes cannot be made to the software requirements and output(s). As the Software company selling and/or licensing your product to a third-party, it is your responsibility to make sure the rebranded product reflects the current software requirements and output(s). List each of your rebranded products below.

Use one of the following class codes for each product:

- **Class code 1:** Software products sold/licensed to a third-party user and the third-party user can add their own logos and/or splash screens, but they cannot modify calculations in the program.
- **Class code 2:** Software products sold/licensed to a third-party user and the third-party can modify calculations in the program.

Agency requirements

This section identifies agency requirements and expectations of new and existing Software Providers and the software product.

Issue notification and resolution requirements

This section represents the **State of Maine/Maine Revenue Services** issue notification and issue resolution standards. Data breaches, security incidents, or other improper disclosures of taxpayer data that by law require reporting to the Office of the Maine Attorney General's office must also be reported to the **State of Maine/Maine Revenue Services** at the following: MRSOpsSecurity@maine.gov and Efile.Helpdesk@maine.gov.

Issue notification - When the Industry Partner finds an issue within their software, Maine Revenue Services should be notified within 48 hours of the finding at Efile.Helpdesk@maine.gov. We also would like to know how this issue is communicated to the customer using the software.

Resolution requirements - When there is an issue found within a software product and we reach out to the Industry Partner we suggest a resolution to be done within 48 hours. If more time is needed, please notify Maine Revenue Services at Efile.Helpdesk@maine.gov as to when this issue will be resolved.

Notify Maine Revenue Services if any forms and/or payments you support are not ready when your software is available for use. Submit this information via email to Efile.Helpdesk@maine.gov

Production return submission requirements

All returns generated from this software must be e-filed or printed from the approved software or a subsequent product update.

- Do not add or include secured or password protected PDF attachments to the return when submitting.

Product updates requirements

Desktop product users who attempt to file 10 or more business days after a production release must be required to download and apply the product update.

Schemas

Your software must adhere to the schema requirements. Maine Revenue Services schema information and requirements can be found on the State Exchange System website.

System security requirements

The Maine Revenue Services does not prescribe the security requirements for your system. You are responsible for implementing appropriate security measures to protect taxpayers and their information in your system. You must apply security measures to protect taxpayer information in your system when it is on-line, off-line, at rest, and in transit.

Testing and submissions

All e-file ATS and substitute forms tests submitted during the approval process must be created in and originate from the actual software.

Customer Notices

This section identifies information Maine Revenue Services is requiring the software providers to communicate with customers.

Disclosure and use of information language expectations

You must include the following consent language with electronic filing software.

For Do-It-Yourself software:

By using a computer system and software to prepare and file my tax return(s) electronically, I consent to the transmission of my return(s) and to the disclosure of all information about my use of the system and software to the State of Maine/Maine Revenue Services.

For Tax Professional software:

By using a computer system and software to prepare and file my client's return(s), I consent to the transmission of my client's return(s) and to the disclosure of all information about my use of the system and software to the State of Maine/Maine Revenue Services.

For Business software:

By using a computer system and software to prepare and file this business tax return(s), I consent to the transmission of the return(s) and to the disclosure of all information about the use of the system and software to the State of Maine/Maine Revenue Services.

Driver's license/ID card expectations

Maine Revenue Services is providing the following expectations and information:

For e-file returns:

Maine Revenue Services requests the DL/ID card be included with the return but won't reject the return if it's not included.

For printed/paper forms requesting the DL/ID Card information:

Maine Revenue Services does not require the full DL/ID card information on the form(s)

Refund expectations

State of Maine/Maine Revenue Services is providing a URL and/or a statement for refund processing. All Do It Yourself (DIY) and Tax Professional software packages must include this information in your software. The message is expected to be displayed within the software in a way to maximize the likelihood the message is read.

URL: <https://portal.maine.gov/refundstatus/refund>

Statement: Refund status is updated nightly. Any change to your refund information will show the following day.

Taxes due expectations

State of Maine/Maine Revenue Services is providing a URL and/or a statement about taxes due, such as due dates and payment methods. All Do It Yourself (DIY) and Tax Professional software packages must include this information in your software. The message is expected to be displayed within the software in a way to maximize the likelihood the message is read.

URL: <https://www.maine.gov/revenue/tax-return-forms/due-dates>

Statement: Estimate payments and ACH payments **CANNOT** be cancelled by the State of Maine/Maine Revenue Services once the return has been submitted.

Agency questions

1. Do you support unlinked jurisdictional returns?

- a. Yes
- b. No

2. What refund products or payment vehicles do you offer your customers? If you partner with an entity to provide refunds (e.g., Amazon.com or other pre-paid cards), please provide the names and bank routing numbers (RTNs) of each company. Attach a separate sheet if necessary.

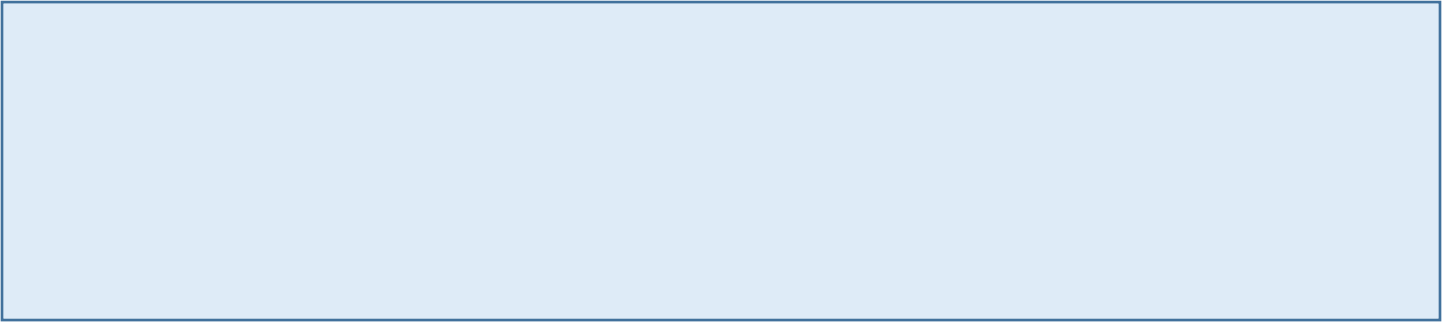

REFUND PRODUCT NAME	ROUTING NUMBER	NOTES

3. Please provide the main contact names, phone numbers, and email addresses of the refund products or payment vehicles offered to your customers. Please attach an additional sheet if necessary.
