- 2. Complete Part 1 using the amounts (zeros may be entered when appropriate) from the taxpayer's 2022 tax return.
- 3. Enter or, if authorized by the taxpayer, generate the taxpayer's PIN and enter it in the boxes provided in Part 2.

- 4. Enter, on the authorization line in Part 2, the ERO firm name (not the name of the individual preparing the return) if the ERO is authorized to enter the taxpayer's PIN.
- 5. After completing Parts 1, 2 and 3, give the taxpayer the MI-8879 for completion and review. This can be done in person or by using the U.S. mail, a private delivery service, e-mail or an Internet Web site.
- 6. Provide the taxpayer with a copy of the signed MI-8879 for their records. Provide a corrected copy of the MI-8879 if changes are made to the return, (for example, based on taxpayer review).
- 7. Sign the form, using a rubber stamp, mechanical device, or computer software program.
- 8. If the ERO makes changes to the electronic return after the MI-8879 has been signed by the officer or partner, whether it was before the return was transmitted or if the return was rejected after transmission, the ERO must have the officer or partner sign a corrected MI-8879 if the refund or tax due amount differs from the amount of the electronic return by more than \$25.
