Michigan Department of Treasury (Rev. 10-21) Issued under authority of Public Act 281 of 1967, as amended. 2022 MI-1040ES, Michigan Estimated Income Tax for Individuals Important Information If you are married and plant of file your annual return as "married filing separately," DO NOT use preprinted vouchers containing the Social Security numbers (SSN) or correspondence identification numbers (CID) for both you and your spouse; separate vouchers and payments must be submitted for each filer. Failure to provide a complete Social Security number on Form MI-1040ES will result in processing delays. Who Must File Estimated Tax Payments You must make estimated income tax payments if you expect to owe more than \$500 when you file your 2022 MI-1040 return. If you owe more than \$500, you may not have to make estimated payments if you expect your 2022 withholding to be at least: 9 9 percent of your total 2022 tax (qualified farmers, fishermen and seafarers use 66 and 2/3 percent), 100 percent of your 2021 tax, or Final Draft 10/27/2021 Fayment 10/27/2021 Fayment Due Dates You may pay in full with the first estimate voucher due April 18, 2022, You may also pay in equal installments due on or before April 18, 2022, June 15, 2022, september 15, 2022, and January 17, 2023. NOTE: You will not receive reminder notices; save this set of forms for all of your 2022 payments. How to Pay Estimated Tax e-Payments You may choose to make your estimated income tax payments electronically instead of mailing a payment with the personalized form provided. Paying electronically is easy, fast and secure. Payment options include direct debit (cCheck) from your checking or savings account, or payment by credit or debit card. If you choose to make your payment electronically, you do not need to mail the MI-1040ES form to Treasury. Visit www.michigan.gov/iit for more information. Mail Your Payment
