Income Tax (Individual, Composite and Fiduciary)

Individual and Fiduciary filers submit Form 4 or a copy of your federal extension. An extension of time to file the federal return automatically extends the time to file the Michigan return to the new federal due date. Composite filers must submit Form 4 even if a federal extension was filed. An extension of time to file is not an extension of time to pay. If you have not been granted a federal extension, the Michigan Department of Treasury (Treasury) will generally grant a 6 month extension for Individual Income Tax (IIT) and composite returns, or a 5.5 month extension for fiduciary returns.

- Do not file this form if you are not submitting a required extension payment with this form.
- If, at the time the extension is filed, it is determined additional Michigan tax is due, send the amount due and a completed Form 4 or a copy of your federal extension form. If filing Form 4, do not send a copy of the federal extension to Treasury. Retain a copy for your records. Extension requests received without required payment will be denied. Late filing penalty and interest will accrue on the unpaid tax from the original due date of the return.
- Payments made to date include withholding, estimated tax payments, a credit forward from the previous tax year, and any other payments previously made for this tax year. IIT filers should include any Michigan withholding.
- An extension is not necessary when you expect to claim a refund. Late filing penalty may not apply as refunds can be claimed up to 4 years from the original due date without an extension.
