General Instructions

In general, a partnership that has one or more nonresident partners is required to pay tax on behalf of the nonresident partner. However, if the nonresident partner is not an individual or a grantor trust, the partnership is not required to pay the tax if the partner timely completes a **Nonresident Partner Affirmation** ("Form NC-NPA").

Form NC-NPA must be annually filed by the nonresident partner and submitted with the partnership return on or before the due date of the partnership return. The signed Form NC-NPA applies to the original return, any amended returns for that year, and any proposed assessments of additional tax for that year. Payment of the tax due by the partnership on behalf of corporations, partnerships, non-grantor trusts or estates that are partners does not relieve the partner from filing a North Carolina tax return.
