To make an additional payment in order to have paid 100% of the tax determined to be due, you may submit this form with payment or make your payment electronically by accessing Granite Tax Connect at www.revenue.nh.gov/gtc by the original due date of the tax. An extension will **not** be granted if 100% of the tax determined to be due is not paid timely.

TAXPAYER IDENTIFICATION

The Commissioner of the Department of Revenue is authorized pursuant to RSA 21-J:27-a to require submission of an SSN, FEIN, or any other identifying number used in filing or preparing federal tax documents. If you do not have any such identifying number, or share one with another taxpayer, then, under N.H. Code of Admin. Rules, Rev 2903.01, you must obtain a Department Identification Number (DIN). If you have a DIN, use it on all New Hampshire filings. To ensure that your filings and payments are applied to the correct account, the sequence of names and taxpayer ID numbers on all filings must be consistent. The failure to provide a taxpayer identification number may result in the rejection of filed documents. Failure to timely file documents complete with a consistent taxpayer identification number may result in the imposition of penalties and interest, the disallowance of claimed exemptions, exclusions, credits, deductions, or an adjustment that may result in increased tax liability.

Enter the taxpayer's name and taxpayer identification number in the spaces provided.

AUTOMATIC EXTENSION

If you have paid 100% of your Interest & Dividends Tax determined to be due by the due date of the tax, you will be granted an automatic 7-month extension to file your New Hampshire Interest and Dividends Tax return WITHOUT filing this form. If you meet this requirement, you may file your New Hampshire Interest and Dividends Tax return up to 7 months beyond the original due date of the return and you will not be subject to the late filing penalty. **Note that an extension of time to file your return is not an extension of time to pay the tax.**
