Special Instructions for Single Member Limited Liability Companies (SMLLC) Filing Business Enterprise Tax and Business Profits Tax as Proprietorships

Pursuant to RSA 77-A:1, I every business organization must file as a separate entity form that of its owner/member, even in cases where the Federal filing of the SMLLC reports its items of income and expense on the return of the owner. In addition to filing as an entity separate from its owner/member, the SMLLC must file its NH returns using a unique identification number not shared or used by any other taxpayer. This will not be the members Social Security Number (SSN), but rather a Federal Employer Identification Number (FEIN) or an assigned Department Identification Number (DIN). SMLLCs filing as proprietorships will file under the manifest type of a partnership in accordance with Section 7.0 (see Business Rule NHBTO-014) and Form NH-1040 must be present. In addition SMLLCs using a DIN will need to provide a FEIN or SSN for processing purposes only. Individuals (not

SMLLCs) filing as proprietorships with an SSN will file under the manifest type of an individual in accordance with Section 7.0 (see Business Rule NHBTO-014) and Form NH-1040 must be present.
