GENERAL FILING INFORMATION

How Nonresident Trusts and Estates are Taxed

The Oklahoma taxable income of a nonresident trust or estate shall be calculated as if all income were earned in Oklahoma, using Form 513NR. The Federal Adjusted Gross Income (AGI) will be adjusted using the Oklahoma adjustments allowed in 68 Oklahoma Statutes (OS) Section 2358, to arrive at an Oklahoma AGI from all sources. The Oklahoma AGI from all sources is used to determine the Oklahoma taxable income. The tax is then calculated using the Fiduciary Tax Table. At this point, the tax is prorated using the percentage of the AGI from Oklahoma sources divided by the AGI from all other sources. This prorated tax is the Oklahoma tax liability.

Resident and Nonresident Defined

"Resident estate" means the estate of a decedent who at death was domiciled in this state. "Nonresident estate" is an estate other than a resident estate.

"Resident trust" is a trust created by a resident decedent's will or by a resident during the administration or by a resident when the trust becomes irrevocable. "Nonresident trust" is a trust other than a resident trust. (See 68 OS Sec. 2353-5 and 2353-6.)

Note: The domicile or residence of the fiduciary representative does not establish the residence of the estate or trust.

Requirements for Filing

Every nonresident estate or trust having Oklahoma taxable income as provided in 68 OS Sec. 2362 (Rents and Royalties, Business, Partnership and Sub-Chapter S Corporation Income and Sales of Oklahoma Real Property) shall make a return for each taxable year stating the taxable income and the adjustments provided in this act to arrive at Oklahoma taxable income.

Due Date

When the last date for filing any document or performing any act required by the Oklahoma Tax Commission (OTC) falls on a day when the offices are not open for business, the filing of the document or performance of the act shall be considered timely if it is performed by the end of the next business day.

Tax Tips:

- √ Check your calculations carefully.
- √ Don't forget to sign your tax returns.
- √ Keep a copy for your records.

Real Estate Investment Trusts

A real estate investment trust that does not become regularly traded on an established securities market within one year of the date on which it first becomes a real estate investment trust shall be deemed not to have been regularly traded on an established securities market, retroactive to the date it first became a real estate investment trust. An amended return shall be filed reflecting such retroactive designation for any tax year or part year occurring during its initial year of status as a real estate investment trust. For purposes of this paragraph, a real estate investment trust becomes a real estate investment trust becomes a real estate investment trust day it has met the requirements of Section 856 of the Internal Revenue Code (IRC) and has elected to be treated as a real estate investment trust pursuant to IRC Section 856(c)(1). 68 OS Sec. 2358.

Simple Trust

A simple trust requires all income to be distributed currently, except amounts allocated to the corpus of the trust (capital gain). The Oklahoma taxable income for simple trusts would be any capital gain (loss) minus the pro rata share of the federal exemption, as all other income and deductions are passed on to the beneficiaries.

Grantor Trust

A grantor trust will be treated the same on the Oklahoma return as it is on the federal. If the federal return (Form 1041) is required to be filed, the Oklahoma return is likewise required. Complete the heading on the Form 513NR and enclose a schedule of income and deductions indicating the Oklahoma income, including any pass-through withholding. Include on the schedule the name, address, and social security number of the grantor. Form 513NR, Part 2, may be used for the grantor information.

If income is reported to Oklahoma under one entity identification number and the grantor files under a different identification number, a Form 513NR must be filed with a schedule showing the name, address, and social security number of the grantor.

The Fiduciary shall be responsible for making the return, and the return shall be signed by the fiduciary, or by one fiduciary if there is more than one.

Use Form 513NR as a transmittal for Form 511NR. Compute the tax for the bankruptcy estate on the Form 511NR by using the instructions and tax table for a married person filing separately. Enter the taxable income on Form 513NR, line 26 and the computed tax on line 27; remit payment of any tax due. Enclose a copy of the federal return for the bankruptcy with the Oklahoma return.

Accounting Methods

The taxable year and method of accounting under this act shall be the same as the taxable year and method of accounting for federal income tax purposes.

Withholding on Nonresident Members

Pass-through entities (partnerships, S corporations, limited liability companies or trusts) are required to withhold Oklahoma income tax at a rate of 5% of the Oklahoma share of income distributed to each nonresident member (partner, member, shareholder or beneficiary). A pass-through entity is not required to withhold income tax with regard to any nonresident member who submits a "Nonresident Member Withholding Exemption Affidavit" (Form OW-15). 68 OS Sec. 2385.29, 2385.30 and 2385.31.

Withholding is not required on distributions made to persons, other than individuals, who are exempt from federal income tax, organizations granted an exemption under IRC Section 501(c)(3), insurance companies subject to the Oklahoma Gross Premiums Tax and, therefore exempt from Oklahoma income tax under 68 OS Sec. 2359(c), and nonresident members who have filed the Form OW-15 "Nonresident Member Withholding Exemptions Affidavit". Withholding is not required on any distribution of royalty income on which the nonresident royalty interest income tax has already been withheld, on any distribution made to another pass-through entity, or on any distribution of income not subject to Oklahoma income tax.

The following pass-through entities are not required to withhold:

- · An entity electing to be treated as a disregarded entity for federal income tax purposes. A disregarded entity is an eligible entity that is treated as an entity that is not separate from its single owner (i.e. Grantor Trust).
- · An entity that does not have a requirement, or properly elects out of the requirement, to file a federal income tax return.
- · An entity making a distribution of income not subject to Oklahoma income tax.
- · A resident or nonresident estate.

• Distributions made from the trust

Trusts, that make distributions subject to Oklahoma withholding, must register with the OTC. Register by completing the Form OW-11 "Registration for Oklahoma Withholding for Nonresident Members". This form can be obtained from our website at www.tax.ok.gov.

To file and pay the income tax withheld, the trust must complete Form WTP10003 "Oklahoma Nonresident Distributed Income Withholding Tax Annual Return". The trust will file Form WTP10003 on or before the due date (including extensions) of the trust's income tax return.

The trust must provide nonresident beneficiaries a Form 500-B, by the due date (including extensions) of its income tax return, showing their respective amount of income and tax withheld. Each nonresident beneficiary must enclose a copy of the Form 500-B with their Oklahoma income tax return as verification for this withholding. Copies of Form 500-B, along with the cover Form 501, must be sent to the OTC by the same date.

GENERAL FILING INFORMATION

Net Operating Loss (NOL)

For tax years 2009 and subsequent, the years to which an NOL may be carried shall be determined solely by reference to IRC Section 172. 68 OS Sec. 2358 (A) (3).

An election may be made to forego the carryback period. A written statement of the election must be part of the original timely filed Oklahoma loss-year return. However, if you filed your return on time without making the election, you may still make the election on an amended return filed within 6 months of the due date of the original return (excluding extensions). Enclose the election with the amended return. Once made, the election is irrevocable.

Oklahoma net operating losses shall be separately determined by reference to IRC Section 172 as modified by the Oklahoma Tax Act.

Extensions

A valid extension of time in which to file your federal return automatically extends the due date of your Oklahoma return if no Oklahoma liability is owed. A copy of the federal extension must be enclosed with your Oklahoma return. If your federal return is not extended or an Oklahoma liability is owed, an extension of time to file your Oklahoma return can be granted on Form 504-C. At least 90% of the tax liability must be paid by the original due date for the return to avoid penalty charges for late payment. Interest will be charged from the original due date of the return.

Depletion

Oklahoma depletion on oil and gas well production, at the option of the taxpayer, may be computed at 22% of gross income derived from each Oklahoma property during the taxable year. Any depletion deduction allowable is the amount so computed minus federal depletion claimed. If Oklahoma options are exercised the federal depletion not used due to the 65% limit may not be carried over. A complete depletion schedule by property must be furnished.

Note: Major oil companies, as defined in Title 52 O.S. Section 288.2, when computing Oklahoma depletion shall be limited to 50% of the net income (computed without the allowance for depletion) from each property.

Lease bonus received is considered income subject to depletion. If depletion is claimed on a lease bonus and no income is received as a result of nonproducing properties, upon expiration of the lease, the depletion must be restored on Form 513NR, line 11, in both columns, in the year the lease expires.

Estimated Tax

All trusts are required to make estimated tax payments, on a quarterly basis when the tax for the taxable year can reasonably be expected to be \$500 or more. Trusts which fail to file a declaration and pay estimated tax are subject to penalty and interest on underpayment. Use Form OW-8-ESC for filing an estimate.

Estates are not required to make estimated tax payments.

Amended Returns

Use the Fiduciary Form 513NR and mark the Amended return box. Enter on line 36 any amount paid with the original return plus any amount paid after it was filed. Overpayments cannot be applied to next year's estimated tax. Line 40 cannot be amended or changed once the original return has been processed.

When preparing an amended return, use the tax table for that particular tax year as tax rates may vary.

If an **amended return** is filed before the due date for filing the original return, including any extension, the tax shown on the amended return is used to determine the amount of underpayment. If the amended return is filed after the due date, including extension, the tax shown on the amended return will not be used to compute the amount of underpayment.

Line 44 - Delinquent Penalty and Interest: Interest at the rate of 1.25% per month shall be paid on the tax due from the original due date until paid. 90% of the tax liability must be paid by the original due date of the return to avoid a delinquent penalty charge of 5% for late payment.

DIRECT DEPOSIT INFORMATION

Please complete the direct deposit box on the tax return to have the refund directly deposited into your account at a bank or other financial institution.

- Place an 'X' in the appropriate box as to whether the refund will be going into a checking or savings account. Please keep in mind you will not receive notification of the deposit.
- Fill out the routing number. The routing number must be nine digits. Using the sample check shown below, the routing number is **120120012**. If the first two digits are not 01 through 12 or 21 through 32, the direct deposit will fail to process.
- Enter your account number. The account number can be up to 17 characters (both numbers and letters). Include hyphens but omit spaces and special symbols. Enter the number from left to right and leave any unused boxes blank. On the sample check shown below, the account number is 2020268620.

Please Note: The OTC is not responsible if a financial institution refused a direct deposit. If a direct deposit is refused, a check will be issued to the address shown on the tax return.

WARNING! Due to electronic banking rules, the OTC will no longer allow direct deposits to or through foreign financial institutions. If you use a foreign financial institution, you will be issued a paper check.
