FORM **529** 2022

Credit Available for Banks and Credit Unions (68 OS Sec. 2370.1)

There shall be a credit against the tax imposed by 68 OS Sec. 2370 for any state banking association, national banking association and credit union organized under the laws of this state for the amount of the guaranty fee paid by the banking association or credit union to the United States Small Business Administration (SBA) pursuant to the "7(a)" loan guaranty program.

No credit may be claimed pursuant to this section if, pursuant to the agreement between the banking association or credit union and the entity to which proceeds are made available, the banking association or credit union adds the amount of the SBA 7(a) loan guaranty fee to the amount financed by the borrower or in any other way recovers the guaranty fee from the borrower.

If the credit exceeds the amount of income taxes due or if there are no state income taxes due on the income of the taxpayer, the amount of the credit not used may be carried forward as a credit against subsequent income tax liability for a period not to exceed five years.

A bank or credit union making a Federal Subchapter "S" election is not subject to the "in lieu" tax and therefore not eligible for this credit.

Pursuant to 62 OS Sec. 46A, there shall be a measurable goal of retaining and/or creating 2,000 jobs per year in Oklahoma for the credit against tax imposed by 68 OS Sec. 2370.
